Open NC Pool Events

Commissie Breedte Sport

This annual Open Dutch Championships Pool Events on Sunday 4 November 2007 from 12 – 18 hours is at the same time a test competition for next years EJC. This is why also teams from other federations are invited. All athletes compete for the general individual classifications for medals and certificates.

Accommodation

The competitions are in the Swim Stadium of National Swim Centre De Tongelreep in Eindhoven. We have competitions in 5 categories (A-B-C-D and Masters). In first instance international invitations are only for categories A (Open, 15 years and older) or B (Juniors (14-18 years old). If you want more information about the other categories, please ask for via email. A-B and Masters swim in the 10 lane 50m pool with electronic timing and an all over depth of 3m. Categories C and D swim at the same time in the 8 lane 25m pool with a depth of 1.8m.

Your stay

We will offer a hotel arrangement in a hotel close (walking distance) to the swimming centre from Friday until Monday. It is also possible to stay in a youth hostel situated about 10 km from Eindhoven. More information (including prices) will follow when you apply for it, and is in the entry form.

Board

Teams can book lunches at a friendly price with our federation. The lunch will be handed out to you at the team captains meeting on the competition day in the form of a packed lunch.

Side Programme

On Friday 2 November we offers international teams a top sport clinic. De Tongelreep has a very advanced camera and computer system in it's top sport training pool. There will be a lecture on this system by an expert. After that athletes and coaches can practice with the system on swimming and starting techniques.

On Saturday 3 November we offer some training facilities for international teams.

Participation

Swimmers can enter in all events of the competition on Sunday 4 November.

For the all over championships score the points gained in the best 3 events will be added up. We will use digital point tables with a scale from 200 to 1000 points for each event. The 1000 point barrier is the current World record on that event (categories A-B-Masters).

There is a protest fee of 20 Euro to be paid back when your protest is awarded, to fall to the organization when not awarded.

We swim by the ILSE Competition rulebook 5.04.

Equipment

Teams are requested to bring team caps, and fins. Manikins and tubes are provided by the organization.
